

The overwhelming majority of America’s leading businesses have already started addressing workplace fairness for lesbian, gay, bisexual and transgender employees. But we still need a federal standard that treats all employees the same.

Support the Employment Non-Discrimination Act, a federal bill that would provide the same basic protections that are already afforded to workers across the country. Lesbian, gay, bisexual and transgender employees are not protected under federal law from being fired, refused work or otherwise discriminated against. ENDA would do just that.

**Fairness Is Good Business.** You can join this movement among successful businesses. Support the Employment Non-Discrimination Act by signing this form and sending it to the National Gay & Lesbian Chamber of Commerce by e-mail to [info@nglcc.org](mailto:info@nglcc.org) or by fax to 202-234-9185.
